- 2. **\$1,501 to \$4,999** – For all purchases that are estimated in this price range, a Request for Proposal shall be issued by the CEO to two or more qualified suppliers, where feasible. If the need arises, and upon consultation with the Board, a Public Tender may also be requested.

Inventory

1. The CEO may establish inventories as an efficient method of managing the delivery of goods.
2. Minimum and maximum levels shall be established where possible.

Code of Ethics

In matters of purchasing, the CEO, library staff and the Board will adhere to the Ontario Public Buyers Association's Code of Ethics, which is based on the following tenets:

1. Open and honest dealing with everyone who is involved in the purchasing process. This includes all businesses with which the Library and/or the Board contracts or from which it purchases goods and services.
2. Fair and impartial award recommendations for all contracts and tenders. No preferential treatment to any vendor, including local companies, will be offered, as it limits fair and open competition for all vendors and is considered a detriment to obtaining the best possible value for each tax dollar.
3. An irreproachable standard of personal integrity. Anyone associated with the purchasing process on behalf of the Library and/or the Board, will not publicly endorse any company in order to give that company an advantage over others.
4. Cooperation with other public agencies and libraries in order to obtain the best possible value for every tax dollar.
5. Continuous development of purchasing excellence.
