Resource sharing through the provincial interlibrary loan network is a primary service that supports the mission of the Madawaska Valley Public Library (the Library) by providing enhanced access to library materials and information. By participating in resource sharing, the Library provides its clients with access to shared collections, the collections of other libraries, and makes its collections available to other libraries. This policy establishes a commitment to resource sharing partnerships.

1. The Library will participate in resource sharing opportunities by:
  - a) joining collaborative initiatives such as material pools, and the provincial interlibrary loan network;
  - b) using resource sharing as an adjunct to, not a substitute for, the Library's collection;
  - c) purchasing frequently requested titles;
  - d) offering provincial interlibrary loan service to clients in good standing.
  
2. Interlibrary loan is a transaction in which the Library borrows materials directly from another library on behalf of a client, or another library borrows materials from the Library on behalf of its clients through INFO (Information Network for Ontario). The library will:
  - a) adhere to the provincial interlibrary loan policies and participation standards;
  - b) make its database of holdings available to the provincial interlibrary loan network;
  - c) promote awareness of the interlibrary loan service;
  - d) request materials not owned by the library or missing from its collection;
  - e) request any type of library materials needed for the purpose of study, instruction, information, recreation, or research;
  - f) not request items owned by the library and temporarily in use or on reserve;
  - g) support the Library's book clubs and other book-based programming by requesting multiple copies of a book even if the Library already owns a copy, when feasible;
  - h) strictly observe any conditions for use of loaned materials that are imposed by a lending library;
  - i) not charge clients a fee for borrowing via interlibrary loan, unless requested material is not picked up
  - j) consult with clients in advance regarding fees charged by lending libraries;
  - k) be responsible for materials borrowed on behalf of clients, and pay for overdue charges, damage, or loss of material borrowed on interlibrary loan, which will be recouped from the client by the Library.
